The 18 beautiful holes of River Oaks Golf Club are located on the site of a former nature preserve along the intracoastal Waterway. The quiet seclusion of the course makes it hard to believe that you are conveniently just minutes from downtown Myrtle Beach, the Atlantic Ocean, Myrtle Beach International Airport and some of the best attractions in town. The two nine hole courses of the Shoot Out (Fox and Otter) feature recently renovated undulating tree lined fairways and Ultra Drawf Champions Bermuda greens. Follow Highway 501, over the Intracoastal Water Bridge, to a golfer's sanctuary where mornings are spent chasing birdies and afternoons are spent in seach of eagles.
